

FORKS SWIMMING POOL

- This is what our children would like you to know about the pool.
These children are in grades Kindergarten, First, and Second grade!

LAUREN

When I went to OUR pool I... ^{was} Ifelt^{it}
like a fish because I loved the
feeling of being a fish in water
also I need swimming lessons. I only know
how to frog swim and jelly fish float and
dolphin jump. But I can go down the
slide about 100+ times! Please open the pool
again! So I don't have to drown because
my mommy has to go out in the water
and get me. And then I kind of feel sad
Please open the pool again please!
Also please don't tear it down!
sincerely,

Lauren.

P.S. Do the people let dogs & puppies swim?

What I would like to do at Our pool when it opens. . . !!!!

What I will like to do with our pool when it opens is go to the pool with my brother, dad, mom, and with friends. I will like to swim all 'one' day. My little brother will be too happy to be there. He don't know how to swim in the pool I can teach how to swim. My friends and I will be happy because in summer the days are very very hot and I ask my mother "Can we go to the beach?" Then she said "No because the beach is to far." With the pool we don't have to go to the beach.

PLEASE OPEN THE POOL.
